MEETING REPORT

Team Name: Maverick Group (2/4)   Date of Meeting: 30/03/2019

Start Time: 10:00   End Time: 13:00   Meeting Location: Destil Hostel

Moderator: Xhovana Gjinaj   Recorder: Sara Makishti

Topics Discussed:

1. **Project Documentation**
2. **Database Design**
3. **UML Designs**
4. **Technologies**

Decisions Made:

1. We decided that on our next meeting we should complete all the project documentation including the review, the update needed and the posting on Github.

2. We discussed on an initial design for our database.

3. We discussed on the new features we might add to the AIS such as: comments, likes, messages, notifications etc.

4. We decided to develop the back-end through the Laravel framework as it is user-friendly and resourceful.

Tasks Assigned:

1. Both of us will work on the last part of project documentation.

Time, Place, and Agenda for Next Meeting:

Tirana Techspace, monday after class.
